

Cuoppi

"Cuoppo" is a cone-shaped paper that holds a mixture of delicacies, (potato croquettes, vegetables, courgette flowers, mozzarella bocconcini, and fluffy balls of dough - zeppoline) all cut and fried in a light and easily digestible batter.

Cuoppo is a masterpiece of Italian street food. It's made to be enjoyed while walking through the alleys of the city, passing balconies festooned with washing, or simply while waiting to order a pizza.
